# We can't be friends lyrics

Song by Ariana Grande	and you 'Cause I don't wanna argue, but I don't wanna bite My tongue, yeah, I think I'd rather die You got me	It's something like a daydream But I feel so seen in the night So for now, it's only me And maybe that's all I need
I didn't think you'd understand me How could you ever even try? I don't wanna tiptoe, but I don't wanna hide But I don't wanna feed this monstrous fire Just wanna let this story die And I'll be alright	misunderstood, but at least I look this good We can't be friends But I'd like to just pretend You cling to your papers and pens	We can't be friends But I'd like to just pretend You cling to your papers and pens Wait until you like me again
We can't be friends But I'd like to just pretend You cling to your papers and pens Wait until you like me again	Wait until you like me again Wait for your love Love, I'll wait for your love I'll wait for your love Love, I'll wait for your love	Wait for your love Love, I'll wait for your love I'll wait for your love Love, I'll wait for your love
Wait for your love Love, I'll wait for your love	Know that you made me I don't like how you paint me, yet I'm still here hanging Not what you made me	I'll wait for your love I'll wait for your love I'll wait for your love I'll wait for your love
Me and my truth, we sit in silence Baby girl, it's just me

# BREAK FREE LYRICS

## [Verse 1]

If you want it, take it  
I should've said it b

If you want it, take it

I should've said it before

Tried to hide it, fake it

I can't pretend anymore (Ooh)

## [Pre-Chorus]

I only wanna die alive

Never by the hands of a broken  
heart (Ooh)

I don't wanna hear you lie  
tonight

Now that I've become who I  
really am

## [Chorus]

This is the part when I say I  
don't want ya

I'm stronger than I've been

before

This is the part when I break  
free

'Cause I can't resist it no more

This is the part when I say I  
don't want ya

I'm stronger than I've been  
before

This is the part when I break  
free

'Cause I can't resist it no more

## [Verse 2]

You were better, deeper

I was under your spell, yeah

Like a deadly fever, yeah, babe

On the highway to hell, yeah  
(Ooh)

Tried to hide it, fake it  
I can't pretend anymore (Ooh)

## [Pre-Chorus]

I only wanna die alive

Never by the hands of a broken  
heart (Ooh)

I don't wanna hear you lie  
tonight

Now that I've become who I  
really am

## [Chorus]

This is the part when I say I  
don't want ya

I'm stronger than I've been  
before

This is the part when I break  
free

'Cause I can't resist it no more  
This is the part when I say I

don't want ya  
I'm stronger than I've been

before  
This is the part when I break  
free

'Cause I can't resist it no more

## [Verse 2]

You were better, deeper  
I was under your spell, yeah

Like a deadly fever, yeah, babe  
On the highway to hell, yeah

(Ooh)
