Dear parents, carers and families,

Happy Eid to those that just celebrated it! Happy Easter to those that are going to celebrate it!

As we reach the end of another academic term, I would like to thank you for all your support and participation during this academic year, especially during EHCP Annual Review meetings. We are now reaching the end of the EHCP Annual Review meetings for the Preparation for Adulthood (PfA) students and starting the EHCP Annual Reviews for the Project SEARCH interns.

Please remember that students will return to Phoenix College on Wednesday 23rd April.

FREEDOM PASSES

As mentioned in my letters to you since September 2023, all students must have their Freedom Passes with them when attending Phoenix College. We have contacted all parents, carers and families with reminders about this.

This academic year, students will only be able to attend Phoenix College if they have their Freedom Passes.

All our students have the right to travel for free with their Freedom Pass and that is an essential part of our curriculum and outcomes for every single student.

"A Clear Pathway Towards Independence and Employment"

THIS WEEK

As we come to the end of the spring term, I just want to say how proud I am of all the students. They have been so engaged and focused in learning different skills and recipes over the term. This week we celebrated **Eid** with the students with a lovely party, filled with delicious food that was prepared by the students, **Mo and Jorna**. It was so delightful to see the students put in so much time, effort and skills into the preparation of the food that would be served at the Eid Party. I am beyond impressed and beaming with pride of how well the students have done. Well done to all students and staff that made this year's Eid Party a success! Have a lovely **Easter break** and we will see the students when we return for the summer term.

"A Clear Pathway Towards Independence and Employment"

This week, for **Festive Friday**, we are celebrating all of our students for their hard work, achievements, successful work placements, and valuable work experience. We are also incredibly proud of our students for meeting their EHCP targets and making significant progress. On Wednesday, students had a wonderful Eid party, where they were dressed in beautiful traditional clothes. It was a fantastic celebration! A huge thank you to the entire team for your dedication and support—your hard work does not go

unnoticed. I would also like to extend my gratitude to parents, carers, and families for their continued support. Wishing everyone a restful and enjoyable Easter break!

Elena Vata, Self-Care Instructor

The students in **Darren's class** ended the week on a high note by celebrating **Eid** with a fantastic party. Dressed up for the occasion, they enjoyed each other's company as they prepared to celebrate. They actively engaged with students from other classes, taking part in outdoor games, dancing with friends, and enjoying music. In addition to the festivities, the students played a key role in preparing the food for the occasion, demonstrating teamwork and involvement. A special thank you goes to our **Catering Instructor, Mo Ahmed**, and **Job Coach, Jorna Khan**, for their efforts in organizing another successful Eid celebration. Hope everyone has a wonderful Easter Break!

"A Clear Pathway Towards Independence and Employment"

We were so happy to welcome **Taylor** and **Tahmid** back to **Frank's class** after their long absence! Taylor returned with a very positive attitude and took part in many activities. He was fantastic at supporting his classmates and showed great teamwork. In our **British Values** session, he put in extra effort by researching **Shintoism** and even presented his findings in front of the class! His confidence and dedication were truly impressive. Tahmid also came back ready to participate and showed great enthusiasm. He volunteered to lead the morning registration, and he did an excellent job with energy and focus. It was wonderful to see him step up and take on a leadership role! Everyone welcomed him with a genuine smile. On Thursday he also took part of some litter picking at the picnic area of **Mudchute Farm**. The whole class has worked so hard this term, and everyone deserves a well-earned Easter break. We hope you all enjoy a restful holiday and come back refreshed for the final term!
